300th Baby of Year

The 300th baby for the year 1960 came to Drayton Valley Municipal Hospital on Tuesday, November 22nd. The new arrival was a boy, born to Mrs. Doreen Franko, of Violet Grove. He weighed in on arrival at eleven pounds and thereby established a record as being the heaviest baby born in the hospital thus far.

Baby Franko, as well as being the 300th baby in 1960 is also the 616th baby born in the hospital since it was opened on August 4th 1958. What a record for a 23 bed hospital.

SEARCH FOR TALENT SHOW

The Search for Talent show in Drayton Valley this year proved to be one of the greatest success ever staged in this town. At 7:00 p.m., half an hour before the announced starting time of 7:30, the Elks Community Hall was packed to the doors and so at 7:15 A.C.T. Team Captain Pete Prystal gave the word to get the show underway. There were still many waiting to get in and for these it was decided to run a second show after the first show was finished.

The Amateur part of the show has been billed as "A Search for Better Talent" and the amateur performers proved that such was indeed the case as that portion of the show was of the very highest calibre. Seventeen contestants lined up for the amateur competition of these ten were selected as the "Top Ten" and these will appear on C.F.R.N Radio Saturday evening, November 26, at 8:00 p.m. The winner of first place will appear in the semi-finals later on in the season, with a chance of a T.V. contract.

First place was taken by Bill Adams with a singing number. Second place was taken by Terry McManus with a singing number and third place was taken by a trio composed of Ricky Simon,

Doreen Wolden, and Lorena Lilje, in a singing number, backed by an accordion and a guitar. This trio, all youngsters, will appear on the show "Kiddies on Camera" on December 10, at 4:00 p.m. as well as Terry McManus.

The rest of the "Top Ten" in the order in which they were selected by the judge were 4. Martine Bolek, Piano; 5. Dennis Meier, recitation; 6. Barbara Hill and Ernest Mamonowich, singing; 7. Margaret Haynes, singing; 8. Sam Reich, singing; 9. Mrs. and Mrs. Don Oscar and son Ray singing, and 10. Linda Rosenberger, singing.

Previous year the winner had been determined by vote, which were on a purchase basis, but this year the contestants were judged entirely on their merits by an adjudicator who accompanied the C.F.R.N and A.C.T. group from Edmonton.

The Spotlight Parade featured top-ranking professional entertainers who give their time free each Saturday night in behalf of the Crippled Children fund. The professional show, which followed the amateur show featured Ruben Pike in a number of excellent dance numbers; Maureen Burley, a truly talented singer; Magellan Wally Maidens who again baffled and delighted the audience in some of his tricks of magic and sleight-of-hand. Mr. Maidens

Mrs. Gansko Passes

Mrs. Helen Frances Gansko of Drayton Valley passed away at the Drayton Valley Municipal Hospital on November 23, 1960 at the age of 49 years. She was born in Wyoming in 1911 and came to Canada in 1914 with her parents, coming to Edmonton and the following spring moved to Drayton Valley. She took her schooling in Drayton Valley.

She married Otto Gansko in 1930, at Edmonton and they returned to Tomahawk to live.

She is survived by her husband of Drayton Valley and three sons Allen of Violet Grove, Carl of Drayton Valley and Howard of Drayton Valley. One daughter Mrs. Lawrence (Eileen) Vickery of Violet Grove, 7 grandchildren, one brother Carl Anderson of Drayton Valley, and 1 sister Mrs. Clarence (Martha) of Grande Prairie.

Funeral Services will be held from All Saints Anglican Church Saturday, November 26th, at 3:00 p.m. with Rev. J. Russell Brown officiating. Interment will take place in the Drayton Valley Cemetery. Funeral Directors are Parkland Chapel Ltd. of Red Deer, Alberta.

FRANK EDWARD HARRISON

After coming to Drayton Valley he worked on various jobs here as a carpenter until July of the same year when he went to work for the Town Planning Branch of the Department of Municipal Affairs as Building Inspector. In that capacity he served under Mr. Heaton and Mr. Ishbister who were administration before Drayton Valley was declared a Town by the Department. When the town assumed its own council Mr. Harrison remained as building inspector. In 1967 he took a course in Plumbing Inspection. At the present time he holds the jobs of Building Inspector, Plumbing Inspector, Gas Inspector and Sewer and Water Foreman for the Town.

He married Ellen Morrison of Bechtley in 1949. They have one child. Since coming to Drayton Valley they have built their own house. Mr. Harrison is a member of the Curling Club.

LAND SALES

Pembina acreage land sales sold during the October 26 Land Lease Sale totalled only \$678, 881.75. Judy Creek and Swan Hills, both hot oil spots, were down considerably from previous sales. EARTH'S MOST POWERFUL CREATURE

That's right. Appearance to the contrary, man is the most powerful creature on the face of the earth. Man - of all creatures - put his brain to work instead of his muscles, shaping energy sources to his own use and betterment.

In Canada, we've put our energy sources to work so well we enjoy one of the world's highest standards of living. Take oil for example. Because it has been made available at reasonable prices wherever it is needed, Canadians use more than 1,000,000 gallons an hour. And speaking of reasonable prices, Imperial Oil gets you for a gallon of gasoline today than it did ten years ago.

IMPERIAL OIL LIMITED

SAFE DRIVING WEEK

The R.C.M. Police request the co-operation and assistance of all citizens during Safe-Driving week - December 1st to December 10th, 1960 inclusive. They appeal to those apathetic motorists and pedestrians who refuse to heed the advice and pleas for safe-driving and safe-walking - to believe that such advice is directed towards them. These persons can and do make mistakes which result in traffic deaths and injuries.

From January 1st to September 30th, 1960 in the Alberta area policed by the R.C.M. Police 147 accidents occurred with 140 persons being killed. Of these accidents 72 or 50% involved only one vehicle and all of these accidents were preventable. There are still far too many single car accidents caused by inattentive driving, poor driving habits and too much speed for road conditions and the curves. The number of rear and collisions is growing, which again is caused by inattention on the part of the driver.

Fifteen pedestrians were killed in this period, which is an increase from the total figure for 1959 of 12 pedestrians in the first 9 months of 1960. Eighty seven of the accidents occurred in the daylight hours, as the dark winter months are now with us it is expected that the percentage of accidents by night will increase. Five persons were killed while operating tractors on the highway. Tractor operators must appreciate that the tractor is a dangerous vehicle to operate on the highway, particularly at night.

All drivers are requested to check their lighting and other equipment regularly. Make it a habit.

Police enforcement activities. Cont' from the next column.

GREEN ACRES Cont' from page 4 Col. 1

Artificial insemination is also of great value to the man who has a herd of beef cattle, with which he runs a beef herd, but would like to have a few dairy cows bred to a dairy bull. Owners of small herds of beef dairy animals, who cannot afford to keep a good bull, can get top breeding through artificial insemination.

FIRE PREVENTION Cont' from page 4 Col. 2
Use the extra hazard of temporary heating devices. Be sure to use approved equipment and make sure the installation is such that there are no combustible close enough to be ignited.

Fire precautions after are necessary to assure completion of that important winter program, says the Provincial Fire Commissioner.

SAFE DRIVING WEEK Cont' from page 4 Col. 1

will be increased in this Safe-Driving week and all citizens could assist by having an accident free week.

BOXING NEWS Cont' from page 4 Col. 5

Cross has got his boys away in the right foot to another successful boxing season. The local action proved beyond the shadow of a doubt last Saturday that Drayton Valley has one of the finest boxing clubs in Alberta and before the "Golden Boys", the Northern and the Provincial Champions are crowned next spring the locals are going to disappoint a lot of sure-thing potential champions.

Home & School Riding Club News

The Drayton Valley Home and School Association held their regular meeting in the Elementary School Auditorium on October 24th. Mr. Bud Byram, President of the group conducted the meeting with sixty-six persons present. (Cont' on Parents we can do better than that, I am sure).

The Secretary was instructed to write letters of appreciation to the various firms and organizations of their support towards scholarship.

There was quite a discussion over the floor dealing with the speed of cars around the school - the smoking of cigarettes by the children to and from school. A rising from this, a motion was made to pay and get parents to discourage students from

bringing cars to school unless absolutely necessary.

Paulus Wolf then introduced Dr. S. L. Steeves, Dr. Steeves, a graduate of the University of Alberta came to Drayton Valley from Calgary. Prior to this he was over in Ethiopia. The pictures he showed and the talk he gave on this country was very interesting. He divided his talk into two parts, the first depicting the scenery and general life while the latter part dealt with his work there.

The next meeting will be held November 24, in the Elementary School Auditorium. Come Parents, one and all, and add to our meeting by letting us have your opinions and ideas for a better and bigger Home and School Association.

Home & School Riding Club News

A new club is in the process of being formed. We call this club a "Gymkhana Club". This is a club for people who are interested in horses and seeking home ownership promoted in the Drayton Valley and surrounding area. It's a club for young and old, married or single, home owner or not.

Our first meeting was held at the home of Mr. and Mrs. D. Tolchard last Wednesday Nov. 16. Having a wonderful turnout of thirty-two interested people we proceeded to elect officers and various committees. Steve Reddin was elected president, Shirley Tolchard secretary and Julie Shultz as treasurer. Our social convener is Hazel

Muscular Dystrophy

Photo by Vello Milima

Debbie Selmes looks pretty pleased with herself, for not everyone has the chance to ring the bell on a fire engine. Debbie has Muscular Dystrophy, and her friend Platoon Chief Ashley has invited her to signal the start of the 1960 March for Muscular Dystrophy -- a fund-raising drive to finance research into the disease. The success of the March will depend largely on the help of firefighters all over Canada.

On a sunny September afternoon five years ago, Mrs. Albert Selmes set out from the hospital to return home with Debbie, her new baby. Waiting to welcome them back were Mr. Selmes and their other daughter, a chubby four-year-old named Bonnie.

The new baby meant there would be another stint of diaper washing, formula making and floor walking in the small hours of the morning. But that didn't matter to Mrs. Selmes, who was the happiest of women.

She was glad that Bonnie would have a companion, that the older girl would soon be able to help care for the baby, and would not run the risks to personally that come from being an only child. In a short while the household was running smoothly on its new routine.

The statistics stepped in -- statistics in the form of a ten-hour and-to-one chance.

In the sections of the Canada Year Book dealing with vital statistics we can discover the incidence of the latter disease, but never consider that it might be a member of our own family who will supply figures for the deadly tables. It is always we vaguely feel, someone else, not a relative, not a friend, just some nameless Canadian citizen.

But this time it was Mrs. Selmes' new baby. Little by little Mrs. Selmes noticed that Debbie was having trouble learning to crawl. It looked as if

she would never be able to do at the rate she was going. There was something wrong. Mrs. Selmes, now worried called on the doctor. The full force of the "statistic" was brought home to this little family, for the doctor revealed that Debbie had muscular dystrophy.

Most children with MD seldom reach the end of their teens, and Mrs. Selmes had to face the cruel fact that their little girl would be with them for only a few years.

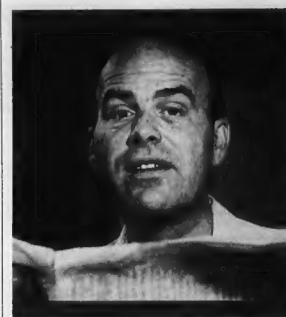

Debbie Selmes is this year's poster child for the muscular dystrophy campaign. On the M.D.A. M.D.A.C. poster she looks out, wistfully, still too young to wonder what strange chance of fate has chosen her to be one of the statistics.

The Muscular Dystrophy Association of Canada is doing everything it can to help Debbie Selmes and thousands like her. They are posting millions into research at our university medical centres. They still do not

have the answer to muscular dystrophy. The Mrs. Selmes still can only say: "We must sooner or later find a cure for MD with all the skilled researchers at work on the problem it can only

be a matter of time." But for Mrs. Selmes' daughter, Debbie, the time left is very short.

How do I save?

When it comes to saving here's a trick worth knowing. Avoid writing cheques against your Savings Account. Impossible? Not at all! Open a Personal Chequing Account at the "Royal".

Use this account for paying bills. Keep your Savings Account strictly for saving. The bank calls this the 2-Account Plan -- a sure-fire way to save. It makes sense. Give it a try.

Looking at Recreation

by Michael Gormley
Recreation Director

RECREATION - DEMOCRATIC ALL - INCLUSIVE
By its very nature, community recreation must have a wide and effective program. It must be effective and permanent. It must eventually include indoor and outdoor activities; sports, athletic games, music, arts, crafts, drama, nature lore and so on. The interest must be recognized and given a fair chance to develop.

While recreation is more commonly thought of as being for children and youth, it is an entirely false concept to rule recreation out of the lives of adults.

Our national leaders of education and recreation long ago established the fact that recreation activity is just as essential for adults as it is for children and youth. Now the very logical objection might be brought up that if recreation is equally important to children, youth and adults how is it that this Recreation Director and other directors throughout the province and across our great land spend 75% of their time promoting youth activity and the other 25% with adults. The answer is simple. In the case of adult recreation program uncover the different interests, from the games and sports activity under way, after this with proper group leadership the group should be able to operate almost independent of the director. On the other hand, if the activity is under way, after this with proper group leadership the group should be able to operate almost independent of the director. On the other hand, if the activity is under way, after this with proper group leadership the group should be able to operate almost independent of the director.

Youth groups require the constant supervision and guidance of the director over and above guiding group leadership. If an adult misses his leisure time and gets the edge of trouble and vice hatch out in the next of idleness the person mainly responsible is himself. If such is the case in the realm of youth, however, chances are that another person, an adult, is the responsible party, and that adult may well be the community's recreation director. It should therefore be plain why a recreation program has an apparent continual accent on youth and youth activities.

A recreation program must also be a properly planned and sustained project. The dictionary defines recreation as "a refreshment of the strength and spirits after toil" therefore it would be erroneous to confine recreation activities to any one season. Refreshment of strength and spirits is necessary twelve months a year. Psychiatrists and other physicians testify to the bodily and mental damage caused

by the ineptitude of the average Canadian for the fine art of having a good time during his daily leisure hours.

Individuals indulge in recreation activities because they will; it is no compulsion. They tend to prefer those activities from which they derive satisfaction. Satisfaction in turn usually stems from having attained a degree of mastery. Therefore, recreation program must offer various opportunities to all ages which offer the best opportunity for personal success and enjoyment. It must also offer opportunities for individuals to experience new activities.

An all inclusive and democratic recreation program is not something that grows mysteriously over night. It is developed over months and over years through the concentrated effort and co-operation of all concerned. Such a program should never be judged by the speed of its development but by its steady and continuous advancement in the right direction. In other words, at any time on a program should become more and more balanced, more and more complete, reaching more people, satisfying more needs and creating more interest.

The aim should be a perfect recreation program; it will never be reached, but it is something to strive at.

The only sound goal for a community recreation program is one that includes and democratic; one that serves both sexes and all ages; one that serves all races, national origins and religious preferences; one that serves people of all economic and social levels. As the Recreation Director of Drayton Valley such a program is my objective; whether I reach that goal or not will eventually tell whether I have been a success or a failure in my work in this community.

HOCKEY - VEST SOONS
There is a talk that we may be starting to make ice on the hockey rink this week, so it will not be long before our young hockey stars are patrolling the local ice banks. The mild weather has made it quite difficult to create any definite interest in the national sport, however if we get the rink going the interest problem should be solved for once and for all.

So far about fifty young hopefuls have signed up at the Pee-Wee, Bantam and Midget levels. I would prognosticate that this number would be about one third of the total during the holidays and carrying the challenges during the regular playing season. Frankly I do expect that about 150 youngsters will be playing organized hockey at the "Minor" level this winter. Of those signed up this far, a vast majority are Pee-Wee, about an equal

number of Bantams and Midgets and a few juveniles. There seems to be a great deal of interest in juvenile hockey around town and if enrollment warrants it I would very happy to promote juvenile hockey in this town. If you are between the ages of 10 and 13 years of age and would like to play hockey this winter, please drop in at my office and fill in an application form. I try to plan my program up according to those completed forms, therefore I would appreciate it if all "Minor" hockey would contact me as soon as possible. The sooner I know the tentative number of players I will be able to do program-ize.

I have come up with a key man for the Minor Hockey program is the person of Clayton Rosenberger. Clayton will be the program coordinator for hockey in the same capacity as Harold Townsend and Olaf Olson served in football and baseball respectively. Rosenberger is undoubtedly the man for the job. He has a sound background in hockey and other sports behind him, he is deeply interested in the promotion and advancement of Minor Hockey in this community and most of all he is very enthusiastic about the individual growth and development of our fine youth here in Drayton Valley.

SKI CLUB NEWS
The Drayton Valley Ski Club held their opening meeting of the season on November 18th. A new executive was elected, plans for the coming season were discussed and a report was given on the development of the ski slope. Some fifteen members were in attendance. Reverend Walford dedicated the club presidency a position which was taken by Terry O'Callahan. Stewart Thompson became the new Vice-President. Herman Rempel was appointed club Secretary and Ralph Russell took over as Treasurer.

The club will be meeting again early in December and as soon as the early winter blues get thick enough the ski enthusiasts will be off to the slope. Anyone interested in skiing would do well to contact Terry O'Callahan, phone 525.

DOIT FORGET!!!
JACKPOT BINGO
Every Wed. night in the Elks Community Hall at 8:00 p.m.
Sponsored by O.C.F.P.

every Thursday evening, starting November 24th, from 8:00 to 10:00 o'clock. If you have children who would like to attend those classes get in touch with me at phone 10 or Mr. Lindberg - Phone 632.

JUDO CLUB:
If enough interest could be generated a judo club could easily be formed here in Drayton Valley. Bill Woods who has considerable experience in this branch of training is interested in getting something definite started in this field of athletics. Personally I think that a judo club would be a worthy addition to our recreation program. It has proved to be very popular in all parts of the country and offers a very sound training in the art of self-defence. If you are interested in this form of physical training contact Bill Woods - Phone 48 or drop in to see him at the Town Hall any time suitable to you.

HISTORY REPEATS - IN THE REVERSE:
Well that bit of Big Machine from Winnipeg must know by now how the Edmonton Eskimos felt in 1957 when the incomparable kings of the Canadian gridiron were added out of the Grey Cup games by the same Bombers. The Blues, Grant and all, got a taste of their own medicine right in their own back yard when the indomitable Edmonton Eskimos fought, fought and fought some more until the Big Blue Myth had seemed to fade away to an ordinary football team and the Blues got their crack at last. They fought and won. The Blues and Gold can keep up the pace they were hitting in Winnipeg. The Roughriders from the Capital may not be quite so tough. If in fact I finally believe that the Eskimos will take Ottawa and keep the Grey Cup where it belongs --- in Western Canada.

YOUR FAMILY ENTERTAINMENT CENTRE

The Chapel Hour

"THE PAST HARVEST TIME"
By Pastor J.C. Wulff.

It still is not too late to look back at the great Fall Season we have just gone through in this year. We hear the farmer with the citizens of the town saying "What a good Fall!" Then each farmer relates to one what he has been able to get done and the city man tells how those who are building new homes have a real break in the weather. The only ones I have heard pass a remark of regret are those who belong to the hockey club and the ski club.

But as we think back to this great season of the year nearly every one is thankful for the abundant harvest of field and garden which are now stored away for the winter use. As we look at them the memory of the beautiful fall colors linger in our minds and even though the Fall flowers have disappeared yet now and then we see one that makes us think that we can still catch their fragrance in our nostrils.

Fall has so many variations in it, that we are caught in surprise each time by its beauty, but there are some things that always remain the same. The golden grain is the same year after year, and the pumpkin always turns yellow etc.

How infinitely great and most versatile is God's plan of creation is the role of man, for we are made in his image - not only to be masters and enjoyers of all other living things - but, with us ruled by hearts and minds to be loving, with his. Of His eternal Kingdom, there is a wonderful opportunity it here for us!

And with it, what a tremendous responsibility!

For, while we have eternity with God offered to us, we do not have an eternity in him to claim it. Many Christian leaders have emphasized this point well, perhaps none better than the unknown devotee who said: All the time that is given to thee, it shall be asked of thee how thou hast spent it. And there fore take good heed unto time, how thou spendest it; for nothing is more precious than time...

The Sunday school teachers are again in charge of the Children's Christmas service to be held on Sunday evening December 18 1960. The children will begin practicing for this program on Saturday November 26th, 1960 from 2:00 - 4:00 p.m. All children interested are welcome to come.

The adult mixed choir will also begin practicing this week for the Christmas season. Anyone interested in singing with this group may call Mrs. Naomi

Lloyds' Jewellery

Mrs. Hawkins may drop into Lloyd's and pick up her baby spoon.

For not what thou art, nor what thou has been, doth God regard with his merciful eyes; but what thou wouldst be.

What wouldst thou be? This is not a man's intellectual question, to be easily solved whenever one can "find" their "for" theorizing, after the duties and appetites of this world have been filled. Time is not "found". It is here, how, to be spent wisely in the full time job of determining prayer earnestly what we are going to be for Christ, and then beginning, at once to be it. It is most important that we decide this with a prayerful attitude, for, unlike the objects of beauty we see in the fall season, His plans may make of us something entirely different from what we started out to be.

But let us never forget that Jesus expects results. "Every branch in me that bears not fruit he takes away; and every branch that bears fruit, he prunes it, that it may bring forth more fruit." John 15:2

Call upon God now, while there is yet time, to make your life so fruitful that you may thankfully be counted among His harvest.

LUTHERAN CHURCH NEWS

On November 6, 1960 this congregation held a mission festival service on the first anniversary of their church dedication. Prof. A. Miller of Concordia College Edmonton was guest speaker. Lunch was served following the service.

The Sunday school teachers are again in charge of the Children's Christmas service to be held on Sunday evening December 18 1960. The children will begin practicing for this program on Saturday November 26th, 1960 from 2:00 - 4:00 p.m. All children interested are welcome to come.

Schneider at X702 for further information.

Size of our members attended a Lutheran Laymen's League seminar at Stony Plain, Alberta this month. Mr. Martin Dault of Chicago, Ill. was guest speaker. Mr. Dault is 85 years old and will travel extensively promoting interest in the Lutheran Laymen's League and encouraging laymen to serve their Lord. The Lutheran Laymen's League sponsors the well-known Lutheran Hour on Radio.

A circuit meeting was also held at St. Mathew's Lutheran Church in Stony Plain. Four members represented Stony Plain Lutheran church at this meeting.

The Lutheran Ladies Aid met for their regular meeting Thursday, November 17th in the church basement with fourteen ladies present.

The meeting was opened with a hymn followed by a bible reading and prayer conducted by Mrs. Ervin Rendell.

Mr. Paul Dresler then presented a summary of Circuit Meeting held in Stony Plain Alberta Nov. 13, 1960.

The main topic of discussion was the forthcoming tea, bake sale and bazaar sponsored by the Lutheran Ladies Aid to be held on Saturday, December 10, 1960 from 2:00 - 5:00 p.m. in the church basement.

The ladies are again selling religious Christmas cards and all occasion cards.

Hospital visitors for the month of December will be Mrs. Ella Holman and Mrs. Pat Dresler.

Mrs. Ruth Schoeppe and Mrs. Gail Schultz will be cleaning the church during December.

A lovely lunch was served by Lorenas M. C. Anderson.

The next meeting will be held on December 15, 1960 with Mrs. E. Adams as hostess.

Prayer is the guardian of the soul.

Pray, then, but your life after your prayer.

the anniversary sermon at the United Church this Sunday Nov. 13th. Rev. and Mrs. Sayers moved the church in Drayton Valley as their first appointment. They moved into the newly built manse in July 1956.

The work of the United Church in Drayton Valley began in the early stages of the oil development in the area. The congregation was officially constituted by the Edmonton Presbytery of the United Church in November 1955. Previous to this date a group of non-residing in Drayton Valley required that a congregation be organized. Survey work was carried out by a group of students from St. Stephen's college headed by the Principal of the College, Dr. E. J. Thompson. Services were conducted by various ministers from Edmonton until a student was placed in the area by the Home Mission Board. Worship services were held in the community Hall.

Following the constitution of the congregation in 1955 plans for the church were drawn up on page 9 Col. 1.

GREEN ACRES

By DICK BOCKING
WELDING COURSE FOR FARMERS.

A welding course for district farmers will be held December 5th to 9th in Evansburg. It has been announced by District Agriculturalist R. C. Bocking. The course, which operates from 8:30 a.m. to 4:00 p.m. each day, will include instruction in both air and acetylene welding. It will take place

in the new shop at Evansburg Motors, although the kindness of Steve Levinsky, the proprietor.

Welding is being done at many more farms each year. With instruction, it is very difficult to get satisfactory work from welding equipment. For this reason, these welding courses have proven extremely popular. Instruction will be given by a fully qualified welder.

Only 24 persons can be accommodated in the course. For this reason, application must be made by December 1st, at the Municipal Affairs office, Evansburg, or to the District Agriculturalist, Stony Plain. A registration fee of \$5.00 must be paid at time of application.

FARMERS TO DISCUSS ARTIFICIAL INSEMINATION.

Artificial Insemination will be discussed at a meeting for all interested farmers on Thursday, December 1st, at 2:00 p.m., in the Evansburg Community Hall.

Provincial Live Stock Commissioner W. H. T. Mead, and R. P. Dixon, Supervisor of Dairy Cattle Improvement, will be addressing the meeting. District Agriculturalist R. C. Bocking has announced

It has been suggested by many district farmers that an Artificial Insemination unit should be established at Evansburg. Such a unit would serve an area roughly 25 miles in any direction from the town. Any further steps towards the setting up of a unit depends on the attendance and interest at this meeting. If you are in any way interested in Artificial Insemination or just want to hear more about it, be sure to attend. There will be a special opportunity to have your questions answered.

Artificial Insemination makes possible the rapid improvement of a herd of cattle without the necessity of keeping a bull. This is of particular value to the dairyman, most of whom do not like to have dangerous dairy bulls around. It gives dairyman an opportunity to have their cows bred to bulls with background of very high milk production.

FIRE PREVENTION

With the first grip of winter, many construction jobs in Alberta will have to be adjusted to winter conditions. The chance of fire during process of building construction is ever present, warns Austin Bridge, Alberta Fire Commissioner. Last year and this year too, Alberta's largest fires have been in buildings under construction. Last year the Wheat Pool Building suffered an adjusted loss of \$410,000.00. Just two weeks ago, apartments under construction in Calgary suffered a fire loss estimated at \$350,000.00

Lessons from these fires should sound a warning to all contractors:

1. Keep the construction site clean and free from accumulations of combustible litter.
2. Keep a supervising foreman with fire safety training at hand to enforce fire prevention regulations and trained to use hand fire extinguishers.
3. Never allow welding or use of torches without permit for the particular location and then only after fire protection equipment is ready at hand.
4. Use extreme caution with flammable liquids; never under take hazardous processes at the building site if they can be done in specially protected shops.
5. Watchmen service is essential after workmen have packed up for the night.
6. Don't forget to call for help and advise the fire department services of the fire department before you have a fire.

With cold weather, there is not

UNITED CHURCH OBSERVES 5th ANNIVERSARY

Crowd from page 7 Col. 5 were made to build a mass and request that an ordained minister be placed in the area. Following the permission of the Synod, plans moved speedily ahead to build a new church. The first stage of the building program was completed in October 1957. The building was dedicated by the Moderator of the Church the Right Rev. J. S. Thompson has maintained a great interest in the Church in Drayton Valley. He says that he has talked of the work of the Church in Drayton Valley across Canada.

The Drayton Valley United Church congregation acknowledges pastoral responsibility for in excess of 400 families. The congregation has continued to grow with the growth of the town and the community. Plans for the future include the completion of the present building and the extension of the building to include a hall and additional Christian Education facilities.

A cordial invitation is extended to all to attend the anniversary service this Sunday at 11:00 a.m. and 7:30 p.m. Both services

Photo by Curt's Studio will be in charge of Rev. Albin Wright with Rev. Sayers delivering the sermon.

Rev. and Mrs. Sayers and sons Billy and Mark will be guests of Rev. and Mrs. Albin Wright over the weekend. Rev. and Mrs. Wright will hold open house at the home on Sunday afternoon Nov. 27th from 3:00 to 5:00 p.m. and from 7:30 until 10:00 p.m. in the evening.

If you are not made better by giving...double your gift.

Oswald - Smith Nuptials

Before an altar decorated with a double bouquet of pink and white carnations interspersed with ferns Mr. Henry Edward Smith and Miss Marjorie Irene Oswald exchanged wedding vows in Emmanuel Lutheran Church in Drayton Valley. The Rev. Mueller performed the double ring ceremony uniting the couple in holy wedlock. The ceremony took place at 2:30 in the afternoon of November 19th.

Three bridesmaids and a maid of honor attended the bride, as she walked down the aisle on the arm of her father, Mr. Jack Oswald of Violet Grove to the strains of the Wedding March. Mrs. Naomi Schneider was soloist for the happy occasion.

The bride was dressed in traditional white net with embroidered lace over satin. On her head was a pearl and sequin headpiece from which extended a veil. Her bouquet was of red roses and lilies of the valley, with white streamers to which were attached red rose buds.

Bridesmaid Miss Christine Smith was dressed in Canary yellow lace net over satin. Her bouquet was made up of Blue Carnations and a lily of the valley spray. Bridesmaid Miss Diane Schmidt was clad in blue lace net over satin. Her bouquet was pink carnations and lily of the valley. Bridesmaid Miss Geneva Smith was dressed in mauve yellow

Photo by Curt's Studio lace net over satin, with yellow carnations and lilies of the valley. Maid of Honor Miss Eleanor Karts was dressed in mauve lace net over satin. She carried mauve carnations and a lily of the valley spray.

Little Jacqueline Oswald, sister of the bride was flower girl, and young Dennis Gutnick was ring bearer.

Bestman were Mr. Robert Young and Mr. John Davis. Dishing the guests to their places were Mr. Melvin Jones and Mr. Otto Gutnick.

At a reception held in Elks Hall following the ceremony the brides' mother was dressed in beige lace over tulle, with a

ROTARY DINNER

Staff Picture.

Left to right, Rotary District Governor J. S. McIntyre, Mr. McIntyre, Mrs. McLean, Rotary President R. S. McIntyre, Mrs. Cunningham, Past District Governor M. Cunningham.

A large group of Rotarians, Rotary Ann and guests gathered in the Club Cafe banquet room on the evening of November 18th, for the Annual visit of the District Governor, Mr. J. S. (Jim) McCormick, Q.C., of Lacombe is the district governor for this 1960-61 term. The District Governor was the guest speaker for the occasion.

Mr. McIntyre told of the International Rotary Conference held last year in Lake Placid, New York. Theme of the Conference Mr. McIntyre stated, was "Building Bridges of Friendship". Sixty-nine countries were represented at the conference, from the 119 countries in which Rotary is found. The speaker told of a one conference, the Commonwealth Dinner, attended by over 1000 ladies and gentlemen from various parts of the Commonwealth.

Three men from three different Commonwealth countries, Pakistan, Ceylon, and Malaya States conducted the discussion - the Commonwealth dinner. Mr. McIntyre told of the Rotary Foundation Fellowship - which was started in 1947 and in the past thirteen years has sent 1322 graduate students, from all parts of the world, to study in other countries. There to learn in addition to their post-graduate studies, to know those of that other country on a friendly basis. Over \$3,000,000 has been invested in these fellowships by Rotary in the past 13 years.

The speaker stressed that he did not expect to see a nuclear war take place, but the struggle would be an ideological one, the struggle for men's minds, and he who wins that war will win the world.

The secretary of the Rotary-sponsored "NIM drive gave a report and stated that the sum of \$500.97 had been collected by the club for the fund.

Following the District Governor speech Rotarian Howard Pickup gave the address of thanks to the guest speaker. Past District Governor Mel Cunningham who, with Mrs. Cunningham had accompanied Mr. and Mrs. McIntyre to the banquet, spoke briefly. Seated at the head table were Mrs. Cunningham, Rotary President "Mac" McLean, Mr. McLean, Mrs. McIntyre, and Past District Governor Cunningham. Lion President Roy Cartwright, present with Mrs. Cartwright, was introduced to the meeting and spoke a few well-chosen words.

Lion President Roy Cartwright, present with Mrs. Cartwright, was introduced to the meeting and spoke a few well-chosen words.

Staff Picture

Under the leadership of Teen Town President, Wally Moha, some energetic Teen-Towners last Saturday kicked off the initial fund drive for the Red Cross. Two young folks covered most of the town, leaving the business district for Mr. H. Pickup and Mr. L. Klipp to cover, and Moha's Trailer Court for Mrs. D. Rand to cover. Seen in the picture at the close of a hard day's work are, left to right, Chuck Bretz, Terry Zuch, Gail Brown, Ricky Simon, Janice Williamson, Sylvia Dion, Gloria Madill and Wally Moha. Absent from the picture was Pat Armstrong, who also helped. The Williamson and Dion cars were pressed into service for the drive.

Mrs. Muriel Boles, as president of the Legion Ladies Auxiliary, receiving Motion's cheque for \$25.00 from M. C. East Warren for sponsoring the Watch Award ticket drive. The Auxiliary turned the cheque back to the Crippled Children's Fund.

POLICE COURT

Police court - Just in November have included 1 case of creating a disturbance on licensed premises, with a resultant fine of \$10.00.

3 cases of contributing to juvenile delinquency, with two of the contributors receiving fines of \$25.00 each and the third getting a fine of \$45.00.

2 V.H.T. Act cases were tried.

For having no driver's license the driver a fine of \$5.00 was assessed. For failing to stop at a stop sign the other received a fine of \$15.00.

10 cases were tried under the Liquor Act, for illegal possession received fines totaling some \$245.00. An interdiction case was given 3 months in Fort Saskatchewan.

2 were arrested under the Town Bylaws. 1 got a \$20.00 for speeding and the other was given a \$10. fine.

SEARCH FOR TALENT
Cont' from page 1 Col. 2

was assisted in some of his show by Al Jones, who was also a comedian of note. Young Jack Wallace, again this year did an excellent entertainment job with his singing, and Johnny Forrest, singer and accordion player for the second year captivated the hearts of young and old alike. Molly Krittman, as she did last year, again did a very excellent performance as accompanist. Pile, Madelon, Wallace and Forrest were here last year in the Spotlight Parade, Burley and Jones were new this year to this audience.

Producers of the show was CFPM's Jack Benbow and Master of Ceremonies for the entire show was Earl Warren of CFPM. Four ACT men and their wives were on hand to keep the show running smoothly. They were, Captain Pete Prystal, co-captain Cec. Eggertson, Joe Bosch and Al. Arthurs, Secretary for Associated Canadian Travelers and the Crippled Children's Association is Tom Shando.

The Drayton Valley Legion Auxiliary Ladies were the sponsoring organization for the sale of the Watch Award tickets. Melson had donated a \$25.00 cheque for the sponsoring organization. This was presented to Muriel Boles as President of the Legion Ladies Auxiliary. The Auxiliary immediately donated the cheque back to the Crippled Children's Fund. Mrs. Dorothy Burrows is treasurer for the Auxiliary, which had an excellent job of selling the Watch award tickets in the weeks immediately preceding the Search for Talent Show.

Mrs. Otto Nickel of the Drayton Valley Bakery was winner of the watch. Three shirts were also drawn as door prizes, 1st winner was Fred Katsch, of Round Valley, 2nd winner was Mrs. Al. Pestoz, of Tomahawk and 3rd winner was Roy Gamsion of Rocky Rapids.

The second show started at 10:15 and lasted till almost midnight. The three top amateur winners appeared on the show, along with the Spotlight Parade. It is estimated that around 400 persons were present for the two shows. Both of which were a tremendous success. ACT members say that the response of Drayton Valley folks to the Search for Talent show this year was fantastic, and exceeded even their most optimistic expectations. All money taken in from the sale of tickets and from the show was turned to the Crippled Children's fund.

W.L. MEETING
Cont' from page 9 Col. 5
Dion an active member in the University hospital.

Mrs. Delby and Mrs. Krause served a delicious lunch.

D.V. Highlights

By: Edith Delby

Mr. and Mrs. Dave Glen plan to attend the Grey Cup match and will go south afterward for a holiday in California.

Mr. and Mrs. Ray Clement welcomed a daughter to Edmonton last week. She is a sister for Robbie and Tracey.

Mrs. Charles Dion is a patient in the University hospital. She hopes to be home by the first of December.

Peggy Billa is making splendid progress with her secretarial course at Alberta College. Peggy is the daughter of Mr. and Mrs. Dan Billa.

Will you need a Santa suit for your Christmas party? Phone 113 ring 3 to make reservations.

We are happy to be able to report that Mrs. Edwin Dressler has returned from hospital and is feeling much better.

Horse Chipehas has purchased the Grey horse and gelding bells following the report of the School Division representative, the Council gave its approval to it.

When our switchboard "goes out" many of our operators will be transferring to other towns.

Among these is Miss Eleanor Chipehas who will go to Wainwright.

We wish to extend our deepest sympathy to the Ganske family at this time.

MRS. GANSKE PASSES
Cont' from page 1 Col. 3
For anyone wishing to see the late Mrs. Ganske the casket will be opened from the hours of 11:00 a.m. to 1:45 p.m. at the Anglican Church.

COUNCIL MEETING
(Cont. from Page 1, Col. 4)

The meeting was opened by the Mayor at 8:00 a.m. The minutes of the two previous meetings were read, and adopted as read.

The list of accounts was presented approved and passed for payment. The Financial Statement for the period ending October 31, 1960 was accepted as read.

The purchase of 250 yds. of sand, for use on icy streets during the winter, was authorized by Council.

An application for the purchase of Lots 2 and 3 in Block 8, in the Town of Drayton Valley was heard and Council directed that

the proposed purchaser be informed that only cash offers can be accepted for this property and also that services to these lots cannot be promised at any time in the future.

It was passed by Council that a fee of \$10.00 per person per season be charged the Senior Hockey players for the use of the Hockey Rink facilities during the 1960-61 season and that all minors will be allowed the use of the Hockey Rink facilities and the skating rink facilities without charge for the season 1960-61. The Secret was directed to advertise for a caretaker for the skating rink immediately. Council gave its approval to the appointment of (L. Tocher) as the caretaker for the Hockey Rink for the season 1960-61.

The Secretary was authorized to write a letter to the Athletic Association acknowledging them as an accepted recreational organization within the Town, at the same time it is to be understood that the Recreation Board is to be the functional body of the Council for the organizing and directing of recreation in the Town.

The Secretary was authorized to write a letter to the Athletic Association acknowledging them as an accepted recreational organization within the Town, at the same time it is to be understood that the Recreation Board is to be the functional body of the Council for the organizing and directing of recreation in the Town.

Council gave approval to an option agreement for Recreational Grounds located in Sec. 8-49-T-W 5 belonging to Mr. A. S. Wood, approximately 20 acres and that the sum of \$100.00 be paid Mr. Wood as a deposit on the said price of the land.

First reading was given by By-law No. 223 authorizing amendment of the Franchise Agreement with Calgary Power Ltd. in that the Domestic, Commercial and Power Rates be reduced and the said amended agreement is to be forwarded to the B.P.U.C. for their perusal and approval.

Council confirmed the appointment of Dale Jachits, Professional Engineer, as Town Engineer at the remuneration of \$500.00 per month commencing November 1, 1960.

Arrangement were discussed for having the water tower fenced and also for obtaining a beacon light for the said tower. It was also decided to advertise the Civil Defence Courses in the local paper.

The date for the installation of Parking Meters was tabled.

Council directed that all business licenses issued, commencing with 1961 licenses, be considered by report from the Edson Health Unit Sanitary Inspection authorities first.

Third reading was given by By-law No. 221 authorizing the construction of a Recreational Dressing and Rest Rooms building in Rotary Park.

First reading was given by By-law No. 223, authorizing the purchase of a Street Sweeper for the sum of \$6,500.00. First reading was also given to By-law No. 225 regarding licensing regulations in the Town of Drayton Valley.

Second reading was given to By-law No. 225.

First reading was given to By-law No. 224, Amending By-law No. 161, which is the Traffic By-law. Council also gave second reading to this By-law.

Council authorized the levelling of Lots 23 and 24 Block 1, for parking lots for the Town, having first obtained permission from the owner.

The date set for the Court of Revision, consisting of John Brown, Harry Zolmer, K. Wahl, M. Demers and C. D. Fuhl was December 18th, 1960 at 1:00 p.m. being the Thursday next after 15 days after the 30th of November 1960.

Mrs. Ganske FUNERAL

Funeral services were held from All Saints Anglican Church on Sunday, November 24, for the late Helen Frances Ganske, wife of Mr. Otto Ganske, of Violet Grove.

The Reverend Russell Brown conducted the service. Pall bearers were Messrs. John MacKenzie, Leslie Tucker, Leslie Hendon, Henry Deby, Andrew Johnson and Otto Gulse. Burialment was in Drayton Valley cemetery.

Mrs. Ganske is one of Drayton Valley's old timers, having lived forty six of her forty nine years in this and adjoining districts.

Born in Larimer, Wyoming, in 1911, the third child of Mr. and Mrs. Peter Anderson, Mrs. Ganske came to Canada with her family in 1912 and to Drayton Valley in 1914.

In 1930 she married Otto Ganske of Tomahawk, and the couple farmed there for some time.

In 1937 the Ganskes bought an acre of land from the late Richard Davis, next to the community hall, and built the store now known as Block's.

After the war the Ganskes again turned to farming, sold their business in Drayton Valley, and moved west to Violet Grove.

Mrs. Ganske is survived by her

Life on page 11 Col. 3

BUILDING PERMITS

With a further total of \$81,650, in building permits issued by the Town of Drayton Valley since the end of October, to November 15th, Drayton Valley continued to grow at an remarkable rate. With the addition of the building permits issued for the first two weeks of November, listed below, total building permit evaluations since the first of this year are a little over one and one quarter million dollars, for an actual total of \$1,254,157.00. On a per capita basis this is by far and wide the highest building permit total for any town of similar size in Alberta, and in all probability in the entire country.

The Town census, taken the middle of January this year, showed some 3,251 inhabitants within the townsite area. Undoubtedly that number would now be at least 4,000 and perhaps a little over.

LAINCHURRY FUNERAL

Death claimed another Drayton Valley old timer in the person of Mr. Alford Edward Lainchbury on Sunday, November 27th. Mr. Lainchbury was found dead at the Ed. Erickson place where he had been looking after things for a time for Mr. Erickson who was up in the Coal Branch. Mr. Lainchbury had lived with his family in Drayton Valley for the past twenty-one years. He was sixty-four at the time of his death, passing away just a few days before his sixty-fifth birthday.

He was born in Perth County, Ont. and came to Alberta when a boy his folks settling on a farm in the Westsask district. He went through the First World War in the army and after he returned to Canada he farmed in a district south of Hughenden, until moving to Drayton Valley in 1939.

He is survived by his loving wife Mrs. Frances Mary Lainchbury, three sons, Elvin Edward of Wide Water, Alberta; James Albert, and Walter Allan, both of Drayton Valley.

Five daughters, Mrs. Robert (Dorothy) Johnson, Mrs. Leslie (Dorothy) Tucker, Mrs. Andrew (Thelma) Johnson, Mrs. Alicia (Margaret) Goughier, all of Drayton Valley and Mrs. Don (Iona) Bennett, of New Westminster.

Cont' on page 10 Col. 2

WILLIAM S. BURNS, D.C.

Dr. William Stephen Burns, is a comparative newcomer to Drayton Valley but he has been here long enough to know that he likes the town and when his wife and small son, Chuck, arrive here from Edmonton in a couple of weeks they expect to settle down and become a part of the community life.

Dr. Burns was born in Edmonton arriving there on Boxing Day, 1905. His father is in the real estate and insurance business in Edmonton. Young Burns went to East Wood High School in Edmonton, where he was president of the graduating class, and social convener. He picked up three letters, in football, basketball, and hockey. In 1924 he went down to Davenport, Iowa, to the Palmer School of Chiropractic, the first chiropractic school to be established in America. At the school he took the course leading to the Doctor of Chiropractic degree. He worked while attending school in Davenport. While in the Palmer School he won a Student Council General Presidency award. Dr. Burns graduated in the fall of 1927 and established a practice in Edmonton. Cont' on page 10 Col. 1

Al Miles Heads Municipal Police

STONY PLAIN--Annual meeting of the Association of Alberta Municipal Police (Northern) was held here recently with about 20 police representatives present. Feature of the meeting was the election of officers.

Al Miles, of Drayton Valley, was chosen president, he being re-elected. Other officers are: first vice-president, Thomas Yalowsky, of Stony Plain; second vice-president, Roger Horner, Fort Saskatchewan; Mayor Horner, Fort Saskatchewan, and secretary-manager, Donald Towers, Rocky Mountain House who was also re-elected.

Representatives came from Devon, Leduc, Wetaskiwin, Ponoka, Lac La Poudre, Drayton Valley, Calgary, Fort Saskatchewan, Tofield, Edmonton, Bruderheim, Edville, Rocky Mountain House, Wilfred and Stony Plain.

Mayor Knab, of Stony Plain, welcomed the delegates and announced the association's 25th good work it is doing. Members of Stony Plain council and delegates were all present at a banquet. Banquet was enjoyed later in the evening, including a Chinese food supper at midnight.

MUNICIPAL POLICE -- Executive officers of the Association of Alberta Municipal Police (Northern) were elected at a recent meeting held in Stony Plain. Left to right are: second vice-president, Roger Horner, Fort Saskatchewan; first vice-president, Thomas Yalowsky, Stony Plain; president, Al Miles, Drayton Valley; re-elected, and secretary-manager, Donald Towers, Rocky Mountain House, re-elected.

District Personalities

Photo by Cur's Studio

After graduating for six or seven years he had a number of jobs, including working as a trainman on the railroad, as men's clothing salesman, life insurance salesman, stenographer, up North. In 1931 he was managing director of the Boys and Girls Fair under the auspices of the Y.M.C.A.

In 1934 he went down to Davenport, Iowa, to the Palmer School of Chiropractic, the first chiropractic school to be established in America. At the school he took the course leading to the Doctor of Chiropractic degree. He worked while attending school in Davenport. While in the Palmer School he won a Student Council General Presidency award. Dr. Burns graduated in the fall of 1927 and established a practice in Edmonton. Cont' on page 10 Col. 1

They would automatically lose their license for a stated period "all of us" noted the speaker, "want the drunk driver on the road, and this is the only way to do it." He also mentioned another "brick" of the impaired driver, this being to arrest his case. Knowing that it could be several months before his case would come up in higher court, this individual would launch an appeal and have his driving privileges during the delay.
